Badgers (Y4)

Squirrels (Y2)

Otters / Seals (Y3)

Upcoming Events:

Monday 1st May—Bank Holiday

Friday 5th May—Coronation Celebration

Monday 8th May—Bank Holiday

Tuesday 9th May—Friday 12th May —Year 6 SATS week

Dear Parents/Carers,

This week we had a review of the 'Better Medway Health and Wellbeing Award' and we are pleased to say that we have retained our Platinum status! We are very proud of what we do to support healthy lifestyles and wellbeing. Once we have more information from our report we will share this with you.

Mobile Phones

We are aware that some of our older children have mobile phones. Please can we ask that parents / carers speak to their children about responsible use of their phone and what to do if they receive something which upsets or worries them. It is also really important that parental controls are looked at on phones to ensure that only age related content is visible. Lots of apps and messaging sites have age restrictions and are for children older than primary age. Please take a moment to speak to your child about the types of messages to send, as these can be misinterpreted by others and can be very upsetting. If you would like any advice, please speak to your children's class teacher and below is a link for a useful website:

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers/phones>

Coronation Celebration

We will be marking this historic event in school on Friday 5th May. Classes will take part in a portrait competition of King Charles III. Prizes will be awarded in a special assembly on Friday. Each class will also take part in 'royal activities' during the afternoon.

Once again thank you for your continued support and have a lovely long weekend and enjoy the Bank Holiday.

Yours sincerely,

Helen Robson
Head of School

PARKING

A polite reminder to park and drive considerately around our school. The morning and afternoon drop off times are very busy and we want to keep everybody safe.

PROUD MOMENT...

This week we enjoyed a class assembly by Puffins Class all about continents, oceans and explorers. The class were very knowledgeable and spoke with confidence and clarity. They even sang songs to help them remember key facts.

Well done Puffins Class!

This week we are celebrating....

Aubrie - Puffins

Friday 28 April

WALT- Retell a known story.

Beautiful retelling Aubrie!

beginning
In the beginning, Mother kangaroo and baby Joey met a wet, old wombat. How did he get here? Then wombat said "I'm thirsty so" Mother kangaroo said "hop on my tail and I will take you to some water". After water the wombat said "I'm so hungry" Mother kangaroo said "hop on my back again and I will take you to some yummy grass".
Eventually a netter came and was chasing the Mother kangaroo with a boomerang.
Finally the next day there was a plastic bag next to her and she decided to wrap it around her waist and it became into a pouch.
