Friday 11th March

Term 4 2021/22

Dear Parents/Carers,

We have had another busy week at school with lots of great learning taking place. Year 3 have been making volcanoes as part of their Extreme Earth topic, Year 2 have been learning different art skills to create their own moon sketch and Year 5 have been continuing to look at the Tudors and have been challenging themselves with learning on fractions and percentages.

As we know, it is important to keep children safe online. During the Covid-19 school closures, we all improved our computing skills and spent a lot of time using technology for remote learning, TEAMS meetings and interacting with family and friends. However, it is important to know what to do if you are worried about someone's behaviour online or experience some form of abuse through an online platform. Attached is a simple poster to guide you through the important steps to deal with concerns online. Remember: let's all be safe and kind online!

This week, Mrs Wood held another 'Time to Talk' session for parents. This is a great opportunity to meet and talk with other parents in an informal way. The next session will be on Friday 20th May—if you are able to attend, it would be great to see you there.

We currently have the Book Fair in school. If you have not had chance to visit it yet, it will still be in the hall after school today as well as Monday and Tuesday next week. It has been wonderful to see the enthusiasm that the children have for books. This week, we have also received a donation of many new books from MOTO in the Community Trust, which will be distributed to classes and added to our reading scheme for the children to enjoy.

Thank you for your continued support and I hope you have a lovely weekend.

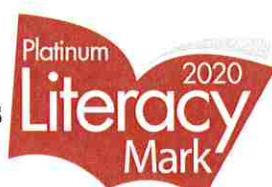

Yours sincerely,

Mrs Robson  
Head of School
