Happy, Helpful, Hard-working

Friday 6th May

Term 5 2021/22

Dear Parents/Carers,

We are busy making preparations in school for our Platinum Jubilee Celebration on 26th May. We are pleased to say that the Mayor will be joining us during our celebration and that we will be asking the children to wear red, white and blue to school on that day. Can we please ask that there is no face paint or hair dye used.

This week, Seals had their class assembly which they shared with parents and carers. They told us all about their fantastic learning from their history topics this year, but also incorporated some art, music and drama work. Well done Seals!

Today we heard about an athlete who will be visiting our school on 24th May. His name is Darran Challis and he competed in the Invictus games in 2016. He will be leading various sporting activities with the children which they can be sponsored to take part in. The money raised will be used to purchase new sports equipment in school. More information about this will be sent home shortly.

Online Safety

Our pupils are growing up in a world of ever-changing technology. While we feel that the use of technology is a largely positive aspect of modern life, we cannot ignore the risks that can be associated with it. The number of apps and social media channels your child could be exposed to grow all the time, as does an app's functionality. On the back of this newsletter are some hints and tips to share with your children to help them stay safe online.

Next week, our Year 6 children will be completing their SATS which are the statutory end of Key Stage Two assessments. They have been working extremely hard to prepare for these and we wish them all best next week.

I hope you all have a lovely weekend and hopefully the sun will shine for us.

Yours sincerely,

Mrs Robson
Head of School

This School is committed to safeguarding and promoting the welfare of children, achieving equal opportunities and combating discrimination.
