

Newsletter

Dear Parents / Carers,

We have come to the end of a cold and busy week at school. Please could we remind all parents and carers to take care on our paths both inside and outside of the school as they could be slippery during these periods of cold weather. We always assess and prioritise the safety of all of our parents, carers, visitors and children.

We have had more sessions run by Yorkshire Building Society this week in school for our KS2 children. The children have enjoyed workshops including budgeting for a holiday, planning a party, wants and needs and keeping money safe. We hope the children are able to put some of their new skills into practice in the future.

Homework is important to help reinforce learning in class, look at new concepts as well as to practice applying their knowledge and skills. Homework can come in different forms such as: reading, spelling, phonics, Maths, comprehension etc. It is important that you set time aside in your weekly schedule to complete your homework and communicate with class teachers if your children are finding concepts particularly difficult.

Online Safety

The Internet can be wonderful for children. They can use it for research and to play interactive games. But online access also comes with risks and parents should be aware of what their children see, hear and access online. It is important to talk with your children, use tools to protect them, and keep an eye on their activities. All children in school have online safety lessons as part of their Computing curriculum to ensure they are informed about the choices they make online.

We would like to wish Miss Tullett lots of luck as she begins her maternity leave today. We hope you all have a lovely weekend.

Yours sincerely,
Mrs Robson
Headteacher

Attendance

Good attendance at school is vital to ensure children make progress and do not miss key learning. Children should be in school by 8:45 everyday. Every minute counts!

PROUD MOMENT...

This week, Woodpeckers had their class assembly on 'Real Life Heroes'. Woodpeckers were true heroes who demonstrated great resilience and confidence. A huge well done!

Term 3 23-24

Week 3

Friday 19th January

Attendance

The classes with the best attendance this week are:

Kestrels (Y5)

Foxes (YR4)

Badgers (Y4)

WELL DONE!

Upcoming Events
