Dear Parents/Carers,

This term is going by very quickly and the children have really been enjoying their learning in school. Here is a tiny snapshot of some of the learning that has taken place:

Nursery have been enjoying exploring the outside area in their puddle suits and wellies. Reception have enjoyed investigating with ice and trying to find ways to make it melt to rescue their toys.

Year 1 have been learning about heroes and even had a midwife visit them this week!

Year 2 have been learning about the Great Fire of London and are able to recall lots of details about what happened.

Year 3 have been carrying out investigations with magnets in Science.

Year 4 have been looking at teeth in Science and even made their own replica teeth out of clay this week.

Year 5 are enjoying their Tudor topic and reading the book Treason.

Year 6 have been learning about the Mayans and looking at their unique number system.

Next week we will be taking part in Number Day on Friday 2nd February where we will have number activities in school and children can come in wearing numbers of some sort!

We hope you have a good weekend and thank you for the continued support.

Yours sincerely,

Mrs Robson  
Headteacher

## Parking

A reminder to please park carefully and sensibly around our school exits so that we can keep our school community safe. You can park in the Rainham Arms car park and walk into the school.

## PROUD MOMENT...

A huge well done to Kingfishers Class who shared their learning on heroes with us in their class assembly this week. They spoke with great confidence and sang a fantastic song about Florence Nightingale.

Well done Kingfishers!

## Sienna - Badgers

Sienna 1

I woke up to crashing thunder. I was shaking with fear. Once I saw the lightning, I jumped out of my bed and ran downstairs. Once I saw Mum, I felt weird. I noticed something was wrong. Dad was not there. I asked Mum "Where is Dad and why are you talking so silently?" She just shrugged her shoulders. "Dunno." She said trying to avoid my eyes. I felt weird without Dad.

With sadness in her eyes, Mum rose from her seat and told me to take a delicious, fruity cake to Grandma because she is poorly. I was rubbing my hands excitedly because I loved going to Grandma. Mum gave me two options. To go the long way or the short way (through the forest). She told me to go the long way (which took ages). I chose to go the short way because if Dad came home.
