

Newsletter

Dear Parents / Carers,

The children have been really enjoying their topics this term and love to share their learning with visitors in the classroom.

Nursery have enjoyed learning about animals and their babies and have been looking at the book 'Monkey Puzzle'.

Reception have been looking at the solar system and making their own papier mâché planets.

Year 1 have visited Rochester Castle to support their learning about castles.

Year 2 have enjoyed learning about Australian animals and their habitats.

Year 3 have been looking at their shadows in Science and have been investigating why they move and change throughout the day.

Year 4 have been writing biographies about Tutankhamun.

Year 5 learnt how to answer shape questions in French.

Year 6 have been showing their arithmetic skills in Maths and have enjoyed seeing their score increase each week.

Safeguarding

We take safeguarding very seriously at school. On the back of this newsletter is a reminder about who the Designated Safeguarding Leads (DSLs) in school are. We speak to the children regularly about ways to keep themselves safe and ensure they know who they can talk to in school if they have a worry or a concern.

We hope the weather continues to shine for everyone this weekend. Please remember children will need a water bottle and sun hat as the weather improves.

Yours sincerely,

Mrs Robson

Headteacher

PROUD MOMENT...

Year 1 visited Rochester Castle this week as part of their topic on castles. They received many compliments about their behaviour on the trip.

Well done Woodpeckers and Kingfishers!
