

# Newsletter

Dear Parents / Carers,

The final couple of weeks of the school year are always very busy with lots happening. This week we had our transition mornings. We welcomed our new Reception classes into school and everyone else got to move up a year group and meet their new teachers. Walking round the school there was an excited buzz and a keenness to show their new teachers their positive 'Riverside Attitude'. Our new mixed classes coped extremely well, with children telling staff they are looking forward to making new friends.

On Saturday 29th June, some of our Year 6 children raced a go-kart they had built in school against other local schools. They had worked extremely hard over the year building and decorating the go kart and showed our value of teamwork throughout the project and on the race day. This resulted in them winning best looking car, winning their final race and being announced as 'Overall Grand Champions'! An amazing achievement which has given us two new trophies for our display cabinet. Well done Owls!

On Monday, our Reception classes went to Kent Life for their trip and were commended on their behaviour. They had a very busy day and there were a few sleepy faces on the coach on the way home!

Over the summer break, work will be starting at school to replace some of our school roof. This is a very big job and will continue into the next academic year. We will keep you informed as the work starts if anything is affected around the school. Thank you in advance for your support with this project.

Finally, we hope to see lots of you at our Summer Fair tomorrow between 11am—2pm. It is always a fun event with lots to see and do and shows our amazing community spirit.

Yours sincerely

Mrs Robson  
Headteacher

## PROUD MOMENT...

A huge well done to all children during the transition mornings this week. They approached this with positivity and all teachers have praised their new classes 'Riverside Attitude'.

**Term 6 23-24**

**Week 5**

**Friday 5th July**
