Dear Parents and Carers,

Our school values are extremely important at Riverside. We regularly speak to the children about these in school. If the children are showing all of our values then we say they are demonstrating good 'Riverside Attitude'.

As a reminder, our values are:

Community
Happiness
Aspiration
Respect
Articulacy
Curiosity
Teamwork
Equality
Resilience

We have had a busy week of learning in school. Year 6 have started learning about Ernest Shackleton's treacherous journey to Antarctica. Our Year 5 children welcomed the Astrodome into the school hall where they got to learn more about space. Year 4 have been learning how to round whole numbers to the nearest, 10, 100 and 1000. They have demonstrated fantastic resilience. This week, Year 3 have been busy practicing their artistic skills by drawing the Eiffel Tower. In Science, Year 2 have been learning how to keep healthy by looking at diets and exercise. Year 1 have been exploring addition and subtraction, using resources to help them solve problems. In Early Years our children have been busy learning all the new routines and have used their bodies to make percussion music.

Reminders about uniform:

Summer dresses are either yellow or red gingham only. School jumpers or cardigans are red/burgundy only, with grey trousers, shorts, dresses or skirts. Shoes should be black. PE kit should be a white t-shirt and either blue or black shorts, with trainers. Children can have a black or blue tracksuit for the winter months as we still do outdoor PE. If you need any support with uniform please speak to Mrs Wood.

We hope you all have a wonderful weekend.

Yours sincerely,
Mrs Robson
Headteacher
