Dear Parents and Carers,

This week has been full of different events—Remembrance, Anti-bullying Week, Parents Evening and Children in Need. Throughout the week the children have shown their amazing Riverside Attitude:

- We marked Remembrance Day with a minute's silence and time to reflect within classes. Some year groups have also completed additional focus work on this topic.
- We had anti-bullying workshops as part of Anti-bullying Week. All children learnt about respect and how to resolve conflict by keeping calm and being clear. Respect is also one of our school values. The older children acted out some scenarios and then suggested some resolutions. Children have continued to reflect on this in class and have spoken about acceptable and unacceptable behaviours and how to be a kind friend.
- It was great to see so many parents at Parents Evening this week. We hope you enjoyed meeting with your child's class teacher, finding out how they are getting on and what they need to focus on this year.
- Finally, today we have been raising money for Children in Need and Riverside's true community spirit has shone through, with everyone wearing their pyjamas to school to raise money for this event.

The children are all getting very excited about our new OPAL project and I will be sharing additional information with you about this next week. Thank you to everyone who has completed the survey already. There is still time to respond to this.

Have a great weekend and we will see you on Monday.

Yours sincerely
Mrs Robson
Headteacher

PROUD MOMENT

A huge well done to our Year 5 and 6 children who attended the basketball Mini Youth Games this week. They won the 'Fair Play' trophy which is now proudly displayed in our trophy cabinet.

Also well done to Owls class for their class assembly this week, where they enjoyed sharing their current learning.

Anti-Bullying Week

What is Bullying?

Bullying can mean many different things to different people. These actions can be described as bullying if they happen often and are done on purpose.

These things can happen at school or at home, but they can also happen online and on social networks. If you are being bullied, or someone you know is telling you that they are being bullied, always tell someone. A grown-up will be able to help.
