Dear Parents/Carers,

We have had a great start to this term with the children really enjoying the learning in their new topics:

Nursery—Have been busy planting pumpkin seeds and learning what they need to grow.

Reception—Read the story 'Whatever Next' and then creating their own form of transport out of boxes and junk modelling.

Year 1—Dissected plants in Science and learnt about their different parts.

Year 2—Have started their topic on Australia and have been looking at Australian art and music.

Year 3—Are enjoying finding out about volcanoes erupting and exploring layers of the earth.

Year 4—As part of their Egyptian topic, have looked at the physical and human features of Egypt.

Year 5—Have learnt about different biomes and which animals live in them.

Year 6—Have been finding out about the circulatory system in Science.

Today we have opened up a new area for OPAL with our new mud kitchen and water wall. The children are really enjoying this project and we hope to invite parents in during term 6 to enjoy it with us too.

You should have had a letter about 'The Colour Run' come home today—please have a read as we are looking forward to this exciting event at the end of term.

Thank you again for your continued support and have a good bank holiday weekend.

Kind regards  
Mrs Robson  
Headteacher

## **PROUD MOMENT...**

A huge congratulations to Hedgehogs class who shared their class assembly with the school this week. They told us about all their learning since starting school and shared some Read, Write Inc learning with us too. They spoke with confidence and were excited to share some songs with us. Well done Hedgehogs!

Write a diary entry.

Amazing!

Dear diary  
I was up at 5:30.  
I had a slice of the wick  
cunt + a chocolate  
crunchel (with  
a bit of your hair  
sheep). I miss up  
my hair the wick  
because my hair  
sheep cuts my
