Term 5 24-25
Friday 9th May

Attendance

The classes with the best attendance this week are:

Woodpeckers (Y1) & Seals (Y3)

Owls (Y6)

Hawks (Y5)

Dear Parents/Carers,

This week, the children in Y1-Y6 all enjoyed a wheelchair basketball introduction session. We have received some fantastic comments about this from both the children and the coach. The staff even had a session after school! This really helps to support our inclusive ethos and helped the children to understand and appreciate the experiences of others. It showed that differences do not limit teamwork or achievement and that sport can be adapted to include everyone.

We also had a special VE Day assembly on Thursday to mark 80 years since the end of the Second World War with Victory in Europe. The children sat and listened carefully and asked sensible questions.

Please can I remind everyone about parking and driving sensibly around our school. You should not be parking on the yellow zig-zag lines at our school gates. We would not want anyone to get hurt. Our school car park entrance is only for anyone with a prior agreement with the school.

Next week is another busy week, with our Year 6 children sitting their end of Key Stage Two SATs. They have all been working extremely hard and I am sure you will join me in wishing them the best of luck.

Tonight, we are looking forward to our first Quiz night—we hope to see you there.

Have a good weekend and hopefully the sun will be shining for us.

Kind regards
Mrs Robson
Headteacher

PROUD MOMENT...

Well done to Year 1 and Year 4 who had school trips this week. We have heard fantastic comments about their behaviour and attitude during the days. We hope that the trips helped them further develop their understanding of their topics on the Ancient Egyptians and Castles.

This week we are celebrating....

Oscar - Scals

WALT know how to write a story in paragraphs.

Once there was a smooth, small and shiny pebble called Abbas. Neil Armstrong was in his front garden getting dressed. Abbas ~~has~~ always ~~sed~~ wanted to go to the silver moon. Neil Armstrong trotted to his 5 year old car. Armstrong accidentally + kicked Abbas into his boot.

When Neil Armstrong arrived, he crawled into the Apollo 11. When the Apollo 11 was launched, Abbas drifted out slowly and steadily. Suddenly Abbas floated towards the engine.

Suddenly CRASH!!!! Abbas jammed the two gears that powered the engine for the Apollo 11. Neil & Armstrong knew what to be done. Abbas was so scared the ~~Abba~~ Abbas wanted would Abbas be saved by Neil Armstrong, or will he stay trapped for ever!!

It was hard for Neil Armstrong to see because smoke came out like black dragons. (One minute later.) Finally, Neil Armstrong got Abbas and gave

him a mighty tug. POP!! Abbas flew to the top of the Apollo 11 at an alarming rate by the force of Neil Armstrong. Then before Abbas's head touched the top, he floated because there was no gravity in space. Abbas ~~also~~ always dreamt of him being the first pebble to go to space. And his dream came true! Neil Armstrong didn't just have Abbas, but he also had Buzz Aldrin too.

Abbas thought "Awesome! I always wanted to go to space! And my dream came true! Abbas was so excited, excited he almost exploded into tiny, tiny pebbles. If Abbas ever came to a engine, he would roll away. Where would Abbas go on his next adventure? be.

A fantastically well written story, well done Oscar! 😊 ☺
