Dear Parents / Carers

This week has been a busy one in school. All of the children have met their new teachers and have spent time in their new classes. They have really enjoyed starting to learn the new routines and finding out about some of the things they will learn next year. It has been great to welcome all of our new staff to the school who the children have enjoyed getting to know. Most of our Year 6 children have also had the opportunity to visit their secondary schools this week as well.

As we near the end of term, can I please remind everyone that children are still expected to wear the correct uniform. We have had a lot of children not wearing a plain white t-shirt for PE. This is the expectation and is part of our uniform policy. In the new year, we will expect children to have black or navy sweatshirts for PE. As previously shared, from next year hoodies will not be allowed. To support with uniform, we will have our uniform swap shop on the last two days of term where you can donate clean, used items and look to see if there are items in the next size on the playground before and after school. This was very popular last year so we hope it is as successful this year.

We still have some events in the last couple of weeks to add to your diary. On Saturday, we have our Summer Fete from 11am—2pm. We hope to see many of you there. We also have our Summer exhibition on Tuesday 15th July, where you can come along and see some of the learning from this year in our school hall. Please see the exhibition letter for information about times.

We hope you all have a good weekend.
