Dear Parents / Carers

We have had another busy week at school with all year groups enjoying their new topics and learning:

In Nursery the children are getting to know each other and the new routines.

Our Reception children have enjoyed their first OPAL lunchtime and had fun on the various equipment, especially the mud kitchen and swings.

Year 1 have been learning all about each other and looking at family trees.

Year 2 have been looking at how to be healthy and discussing different fruits and vegetables.

Year 3 have been learning about their new book Ziraffa Giraffa.

Year 4 have been finding out about significant people in the past including Rosa Parks.

Year 5 have been writing non-chronological reports on Katherine Johnson.

Year 6 started the book Shackleton's Journey and have been learning about some of the crew members.

## Attendance

Regular school attendance is important for your child's learning, development, and overall wellbeing.

Every school day matters. When children attend school consistently, they have the best opportunity to make friends, engage fully with their learning, and develop positive routines that will support them throughout their lives. Even missing a few days here and there can add up over time and impact their progress.

We understand that there are times when absence is unavoidable, such as illness. However, we encourage you to make every effort to ensure your child is in school on time, every day. A reminder that the school day starts at 8:45am - please ensure your child is in by this time.

Together, we can help your child get the very best out of their primary school years.

Kind regards

Mrs Robson
