Term 2 2022

Week 5

Friday 2nd December

Dear Parents/Carers,

We are looking forward to our Christmas Fair today. All classes have been busy making items to sell: these include hot chocolate stirrers, gift tags, tree decorations and home made fudge! A huge thank you to FoRPS for organising the event and we hope to see all of you there between 3pm– 4:30pm.

We hope your children are enjoying bringing home their new Read, Write, Inc. books. Reading is a key life skill which we enjoy promoting at Riverside. Your child's reading books should be in school everyday and will be changed on a Friday.

Next week, KS1 are excited to perform their nativity "The Angel Who Nearly Missed It All." We have two performances— Wednesday 7th at 2pm and Thursday 8th at 9am. Tickets for the nativity will be coming home soon, if you have not requested a ticket please see the School Office.

Another reminder to please be considerate of our neighbours when parking outside our school. We have had reports of residents' drives being blocked. Thank you for your support.

Wishing you a lovely weekend.

Yours sincerely,

Mrs Robson
Head of School

Attendance

The classes with the best attendance this week are:

Foxes (Y4)

Otters (Y3)

Hedgehogs (YR)

WELL DONE!

Thank You!

A huge thank you to FORPS for all of their organisation in planning and hosting our Christmas Fayre.

We cannot wait to see all of you there!

PROUD MOMENT...

In November we celebrated Remembrance Day and Children in Need.

Our children enjoyed buying poppies and raising money for 'Help for Heroes'. We raised a great £203.34.

Our children had great fun wearing their pyjamas for 'Children in Need'. We raised a huge £258.40.

Well done Riverside!

Upcoming Events

7th December— KS1 Nativity 2pm

8th December—KS1 Nativity 9am

9th December—Early Years Stay and Read with Parents

This week we are celebrating....

Frøya - Badgers

29/11/22

WALT - use observations to explain scientific concepts.

We made a 'stomach' using a plastic bag with some bread in and then we added some vinegar which represented the stomach acid.

I found out that the stomach acid breaks down your food and kind of make it into a liquid.

I know this because we did an experiment with some vinegar and bread in a bag like your stomach and the acid and the food in your body and it turned into a liquid.
