Dear Parents and Carers,

It has been another busy and enjoyable week in school and it has been wonderful to see so many members of our school community involved in the events that have taken place.

Yesterday we celebrated World Book Day together as a school. We began the day with a special whole-school assembly where we shared our love of reading and celebrated the important role that books play in our lives. In the afternoon, it was lovely to welcome parents and carers into the school grounds for our Stay and Read session. Thankfully the weather was kind to us and it was wonderful to see so many families sharing a story together outside. Moments like these are a powerful reminder of how special reading can be when it is shared.

Reading is one of the most important life skills we can give our children. It opens doors to knowledge, fuels imagination, builds vocabulary and helps children develop empathy and understanding of the world around them. Regular reading at home – even just a few minutes each day – has a huge impact on children’s confidence and progress. Thank you for the support you give your child with their reading; it really does make a difference.

A huge well done to Badgers Class for their fantastic class assembly this week. They confidently shared so much of their recent learning with us and it was a pleasure to see the pride they took in presenting their work. We were also treated to some amazing home projects linked to their learning about the digestive system. There were some incredibly creative ideas, including models made from Lego and even one that had been welded together! It is always wonderful to see learning in school inspire such imaginative projects at home – very well done to everyone in Badgers.

Today we would like to say a huge thank you to FoRPS for organising and running our Mother’s Day Gift Shop in school. This was a great success and the children really enjoyed choosing and wrapping a special gift. Events like this simply would not be possible without the time and dedication of our FoRPS volunteers. If you feel you may be able to support FoRPS in any way, please do get in touch with them – every bit of help makes a difference.

Looking ahead to next week, the children from Year 1 – Year 6 have the FoRPS School Disco on Friday, which is always a highlight of the term. Please make sure you book your child’s ticket by the 9th March so they can come. We are sure it will be another fun event for everyone involved.

Thank you, as always, for your continued support.

With best wishes,

Mrs Robson

Headteacher

2025-2026

Term 4

Friday 6th March 2026

Upcoming Events:

9.3 – Start of Science Week and dress up as a crazy scientist. Science workshops in school.

This week we are celebrating....

Jack - Kestrels

Friday 6th March 2026

WALT. Write a diary entry in role

Dear Diary,

Macbeth ^{has} done it! He killed Duncan. He ^{has} done it for me! My heart started to beat as fast as a gallop. If we are the new kings and queens we will never be dead. Their plan was my idea!

Macbeth told me about the evil witches that he met coming back from the war. They told him that he will be king in the ^{future} ~~future~~. Then the idea popped in my head. But just before that they also said that he will be Thain of Caedmon, well look where he is now! So, going back to the king I gave the king and the guards the ^{delicious} wine and they fell asleep, so that's when he ^{did} ~~done~~ it.

When he came back, I was pleased there was blood all over his hands. He looked horrified! But he brought the Sharpdaggers back. He was terrified to go put them back, so I did it for him. I went to the hall, then into Duncan's room. Boom, done!
