

# RIVERSIDE PRIMARY SCHOOL AND NURSERY NEWSLETTER

TERM 6 Week 3  
Friday 19<sup>th</sup> June 2026

Dear Parents and Carers,

This week, we thoroughly enjoyed watching Robins Class assembly. This was their first class assembly in school, where they shared what they have learned in Reception this year. The children spoke with confidence and enthusiasm, and it was a pleasure to hear them reflect on their learning. They also performed a lovely song about growing up, which was enjoyed by everyone. Well done to all of Robins Class.

Our Year 2 and Year 6 children have continued their swimming sessions this term, developing both their swimming ability and important water safety skills. They have represented Riverside extremely well at the pool and have approached these lessons with a positive attitude. It is clear they are gaining both confidence and enjoyment from the experience.

This week, we introduced outdoor packed lunches for our Key Stage Two children. They now have the opportunity to eat their lunch with friends in a shaded area on the school field. The children have been very responsible and sensible, and it has been pleasing to see how much they are enjoying this experience. This is something our younger children will be able to look forward to when they reach Year 3. In the meantime, we continue to support our Key Stage One children in the dining hall to ensure they develop good routines and healthy habits around lunchtime.

We would like to take this opportunity to remind parents about providing a healthy, balanced packed lunch. Suggestions for a healthy lunchbox could include:

- A sandwich, wrap or pasta/rice-based option
- Fresh fruit and/or vegetables (e.g. apple slices, carrots, cucumber)
- A dairy item such as yoghurt or cheese
- A healthy snack such as rice cakes or crackers
- A drink of water

It is, of course, fine to include a treat, but we do encourage a balanced approach to support children's wellbeing, learning and healthy lifestyle.
