Hannah - Otters

Tuesday 10th January 2023

WALT - describe a setting using expanded noun phrases.

As I approached the great plains of Africa, it was burning hot and the so bright, yellow sun was sizzling my my sweaty, burned face. In the distance I saw a giant, spotty giraffe bending its long, thin neck to reach the clear, shiny water. The lake was shallow, and it shone in the sunlight. The fresh, nice water was being drunk by the giraffes. As I turned around I saw more giraffes amongst the green, bushy trees. They were using their strong, black tongues to pull the crunchy, juicy leaves from the trees for their yummy, tasty, fresh dinner.

Well done Hannah. Excellent expanded noun phrases!
