Dear Parents/Carers,

What a fun week it has been! It was great to see so many children come to school on Wednesday when it had been snowing and thank you for your understanding when we had to open at 9:30am instead of our normal time. Please do make sure you check Class Dojo for information at times like these, as this is the best way for us to quickly share what is happening and prevents the school phone lines from becoming overloaded.

Online Safety

As part of computing lessons the children are spoken to about staying safe online and ways to do this. If you need any support please speak to your child's class teacher or visit the NSPCC website, which has some good tips for parents / carers:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-wellbeing/positively-online>

They also have advice about parental controls on devices:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/parental-controls/>

Today a letter was posted on Dojo about Parents Evenings on the 28th and 29th March. You will be able to book appointments for this from Monday using the online booking system.

Thank you for your continued support and have a lovely weekend.

Yours sincerely,

Helen Robson

Thank You

A huge thank you to FoRPS today for helping organise, set up and run the Mother's Day gift shop for the children. There was a fantastic response and the children really enjoyed choosing their gifts.

PROUD MOMENT...

Today Woodpeckers Class shared their assembly with the school. They spoke all about their learning on Florence Nightingale, Mary Seacole and Louis Braille. It was clear to see that they had remembered lots of things and were excited to share them. Well done Woodpeckers!

Staying Safe Online

1 Respect other users. Be kind and polite online.

2 Don't share personal information.

3 Only talk to people you know online.

4 Visit safe websites that a trusted adult has checked first.

5 Tell a trusted adult if something makes you upset or uncomfortable.
