

Newsletter

Dear Parents/Carers,

This week the children have enjoyed deepening their learning about their topics this term. Year 6 have been learning about rationing during World War Two and then cooked 'Spam Hash' and 'cheese and potato dumplings'. Year 5 have created information leaflets about the three female Tudor Monarchs. Year 4 have been continuing their learning about mountain ranges across the world. Year 3 have been looking at how earthquakes are formed and measured. Year 2 have extended their learning about the 'Race to Space' and have looked at famous astronauts. Year 1 have compared homes in the past and present. Reception have been developing their creative skills by sketching and making bouquets. Nursery have developed their cooking skills and have made cakes.

This afternoon, our Year 6 class enjoyed our annual 'Jobs Fair' where they got to investigate different careers and ask questions about them. We hope that it has given them some inspiration for the future and that they continue to work hard as they reach for their goals.

Our children showed amazing 'Riverside Attitude' this week when we practised our 'lockdown'. This is something that is practised within the school to ensure the children know what to do if they ever needed to stay safe in the building, just like when we practise the fire drill to ensure children know how to evacuate safely. They listened carefully and followed the instructions given by the school staff. We were all very proud of them.

Hope you all have a lovely weekend with your families.

Yours sincerely,

Helen Robson
Head of School

Term 4 2023

Week 4

Friday 17th March

Attendance

The classes with the best attendance this week are:

Squirrels (Y2)

Foxes (Y4)

Robins (YR)

Upcoming Events:

Thursday 23rd March—World Maths Day

Friday 24th March—Kestrels Class Assembly at 8:55am

Friday 24th March—FoRPS Spring Disco. 3:15-4:15 KS1 and 4:30-5:30 KS2 (tickets required)

Week beginning 27th March—DT

Parents Evening

Please do not forget to book your parents evening appointments for the 28th and 29th March on our online booking system. If you have any problems booking please speak to the school office.

PROUD MOMENT...

Today Badgers Class shared their assembly with the school. This was focused on our value of 'curiosity'. They highlighted this value through lots of different curriculum areas and also sang enthusiastically.

Well done Badgers!
